EXPERIENCE

Color&Trim Design Intern, 05.2021-04.2022
Volkswagen of America

Participated in the ongoing exterior and interior color&trim projects. Supported the team on color and trim design process, from trend research, competitor benchmarking, analysis, and forecast to create mood boards and choosing color, materials and finishes for vehicle exterior and interior surfaces. Help organize and maintain the CMF material library.

FCA Sponsored Project, 2020 Fall

Help FCA redefine the new brand Stellantis. Team work with students from different majors. I was responsible for the interior design.

Design Intern, 2019 Summer
Pan Asia Technical Automotive Center

ICCG competition "Buick re-imagine the freedom of movement in the future" group project with other student intern.
